Workgroup Charter and Goals

In November, we discussed key goals and governance for the CPC+ Workgroup, including:

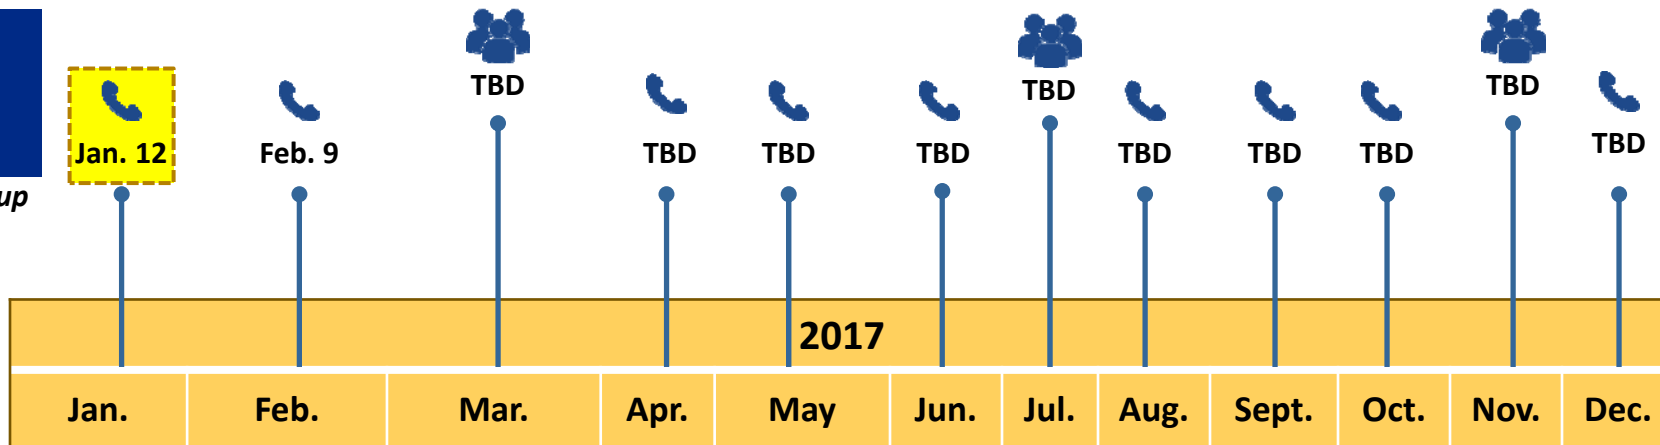

- Collaboration for success in Montana's CPC+ program
- Workgroup participation from approximately 4 practices, including clinical and operational staff from a range of geographic areas in the State
- Monthly 90-minute conference calls (potentially via video conferencing) and quarterly in-person meetings, likely in March, June and September 2017, to be held if possible onsite at CPC+ practices

Timeline

CPC+ Workgroup

| Payers | |
|--------------------------------|----------|
| Quality Alignment in Regions | Jan. TBD |
| Practices | |
| Care Delivery Model | 1/19 |
| Practice Portal & CPC+ Connect | 1/25 |
