Regional Action Plan (Milestone 2)

Milestone 2: Regional Action Plan *(Maps to Milbank Milestone 2)*

Pathway:	Q4 2016	2017	2018+
Goals:	<p>Develop a regional action plan that identifies how the region's CPC+ payers will work together to achieve their vision.</p> <ul style="list-style-type: none"> • A regional action plan that identifies the logistics and ground rules of how the payers will work together, including when they will meet, how they will establish priorities, and make decisions that are important to the success of the region's collaboration. • Each region should identify resources to support the needs of the multi-payer collaborative process, such as hiring a convener/facilitator to operate its regional payer collaborative, or identifying a location for regular meetings. 	<p>Implement the action plan including establishing a meeting schedule for Y1</p> <ul style="list-style-type: none"> • If applicable, contract with and onboard neutral convener/facilitator. 	<p>Refine action plan, update to sustain multi-payer collaboration for Y2 and beyond</p>

- Focus on common goals and developing a vision statement
- Set ground rules and meeting guidelines
- Share current state of contracting, reporting and support

What worked for us

- Contracting:
 - Started early
 - Decision to execute separate agreements
 - Created “common denominators” in MSAs
 - Insurance requirements
 - Termination clauses
 - Governing State law
 - BAA/Data Security
 - Circulate drafts with legal departments – don’t wait for finals
- Convener Meetings:
 - Focusing on common goals and vision statement
 - Meeting more often than less
 - Team representation
 - Regular planning with TMF/Lewin
