## ERRATA

The caption to Figure 27 should read: "Percentage of total surfaces DMF in specific teeth at age 13 years for boys and girls in cities, 1940-1941 to 1948-1949."

That for Figure 28 should read: "Percentages of total surfaces DMF in specific teeth at age 13 years for boys and girls in Gjerpen, 1940-1941 to 1948-1949."
